Many Attend Marin Dads' Annual Night

Guests Informed of Big Events Planned for Future

With a total attendance of more than 350 daughters and 150 dads, the third annual "Dads and Daughters Night" last Friday of the Marin Dads Club was an outstanding success, reports President L. V. Foye.

This marked the largest attendance at any of the Dads Club's entertainments since the group was organized in 1934. A majority of the girls from the school were present, club members having made arrangements to bring all whose fathers were unable to accompany them.

The evening's stage show consisted of dramatic recitations by Beverly Jeanne Wuelzer, solos by young Buddy Meads, Albany's famed singer, a blackface comedy act and the Haywire Orchestra of the Dads Club, and a number of dance numbers by students from the Florelle Batsford Dancing Studio in Berkeley.

COMMUNITY SINGING

Community singing was led by George Sutton. Refreshments followed the program and were served in the school cafeteria. On the committee in charge of the successful offering were Robert Crane, R. Crouse, L. Foye, W. P. Gillies, J. Sloan, W. Plattner, W. Scott, O. Stone, G. Sutton and H. Winfrey.

Preceding the affair, President Foye announced the following events on the club's program, to which all dads in the Marin School district, members and non-members, are invited:

The regular monthly meeting at the school on Tuesday, February 2, at 8 p. m., at which time Dr. Virgil Dickson, superintendent of schools of Berkeley, will be the speaker of the evening.

The annual winter party, for the benefit of Troop 42, Boy Scouts, and Cub Pack No. 3, sponsored by the club, will be held at Marin School on February 19.

POLICE PROGRAM

"Dads and Sons Night" program, featuring the Berkeley Police program, to be held on March 19. A capacity crowd of at least 500 is expected to witness this demonstration of two-way radio broadcasting, crack pistol shooting, judo and exhibition by trained police dogs.

Telling of the rapid growth of the organization, Foye said that his club is now the second largest Dads Club in the California State Council, now having 170 paid-up members, and is considered the most active in the East Bay. All fathers and other men in the Marin district are urged to join and assist this club in carrying on its efforts to develop a closer understanding of parenthood, child life and school and community problems.

Those interested in knowing more about the objectives of a Dads Club are asked to be at the Marin School next Friday night, January 29, from where a caravan under the direction of the club will start to attend a mass meeting of all the clubs in the California State Council, at the Oakland High School auditorium.

Date of Trip Is Announced

Broadcasting an invitation to all winter sports enthusiasts to come along, Albany Tent of the Macabees announced this week that its annual "Snowball Special," a train trip to Truckee, would be held on January 31.

According to present arrangements, as revealed by A. B. Taveira, the special Southern Pacific train will leave Third and University Station at 1:15 that Sunday morning and arrive in Truckee at 8:30 a. m. The return trip will begin at 3:45 in the afternoon of the same day and will bring travelers back to Berkeley at 10:30 p. m.

Absences Cause School Closing Here Wednesday

Because of the absence of 30 per cent of the pupils due to colds and influenza, the city's schools were ordered closed Wednesday afternoon by John Franklin West, superintendent of schools.

The action was taken, it was explained, to eliminate the heavy financial loss to the school system which would have resulted in continued operation with so many absentees. West and Dr. Jack L. Stein, president of the school board, both pointed out that absences cause a loss to the city in funds obtained from the State and that it was for this reason that the decision was made to close the schools for the balance of the week.

The three schools will open at the regular time next Monday morning, it was advised.

Exercises of High School On Monday

An inspiring musical program will add to the effectiveness of the graduation exercises of the Albany High School on Monday night at the Memorial Building. Twenty-two students will be awarded diplomas.

The program will be as follows: "To Victory," played by the school orchestra; "Festival March" by Von Weber, by the orchestra; "Going Home" by Eyorah, girls chorus; "Recessional" by DeKoven, mixed chorus; "Marche de la Cloche" from "Coppelia" by DeLibes, "Where the Shannon Flows" and "Old Farmer Song" by the school quartet.

The class valedictorian, Don Turner, will deliver an address entitled "The Plans." Other student speakers are Earle Greer and Eros Vallo, who will speak on "The Foundation" and "Complete Structure," respectively.

AWARDS TO BE MADE

The presentation of awards will be made by Charles A. Moore, principal of the school. Ray Frisvold will present the class gift, after which John Franklin West, superintendent of schools, will deliver a talk.

The invocation will be offered by Rev. Herbert Brooke of the Community M. E. Church. Dr. Jack L. Stein, president of the school board, will give out the diplomas.

Armin Wegner, musical director, will supervise the orchestral numbers and Miss Barbara Kroft is to be in charge of the vocal selections.

Democrats to Re-Name Club

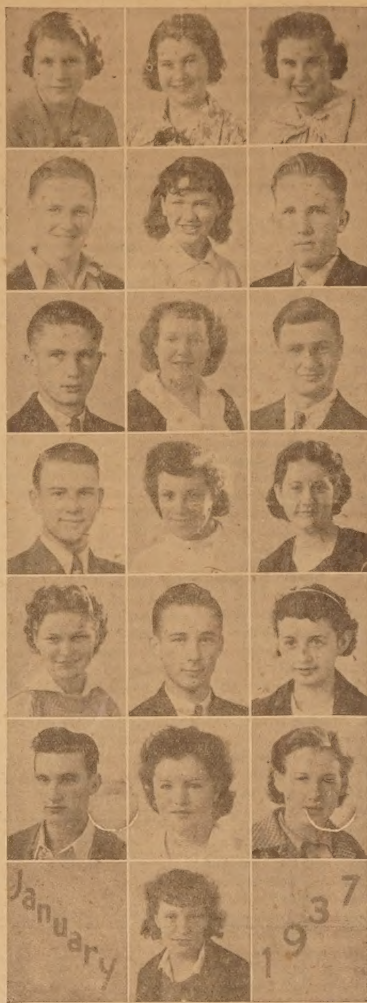

"Even some radicals would hate to be judged 200 years from today for their present-day acts," declared Lloyd C. Hare, local author and legal authority, in defense of the framers of the Constitution during a speech given before the Thousand Oaks Democratic Club recently, at the residence of President Fred G. Clute, 990 Peralta Avenue.

Stressing the fact that he had great respect, as a lawyer, for the Constitution, but as a liberal he can find nothing marvelous in it and does not regard its creators as supermen, he launched into a history of the Supreme Court contrasting its former liberalism with its present conservatism.

The discussion included tentative plans for a Jeffersonian Day dinner and Dave Hofer and D. Rosling were appointed members of an arrangements committee.

Suggestions were made that the club's name be changed to the "Albany and Thousand Oaks Democratic Club" or some similar cognomen as protection against organizations which have attempted to usurp the territory, despite the fact that the club has been established here for two years and over two-thirds of the members reside in this city.

Dr. Bryan to Hold Courses For Parents

To those who are interested in children and their welfare, the announcement that Dr. Edith Bryan's classes on instruction at Marin School are in session again will be welcome news.

The course, "Pre-adolescence and Adolescence," containing vital information for parents and for teachers who are working with those ages, will be given on Mondays at 7:30 p. m. in the board room of the school.

On Tuesday mornings, at 8:30, Dr. Bryan gives a course on "Adult Psychology" in the board room. Both courses are exceptionally helpful for mothers who desire to bring their children up in the best possible way.

Dr. Bryan is an outstanding instructor, is a trained nurse by profession and an experienced psychologist and has worked with children from the time of birth, through day nursery, delinquency courts, and even on to the penitentiary and is very able to help solve many of the problems that trouble parents, teachers and the children themselves.

"It is hoped that many will avail themselves of the opportunity to have the guidance of this fine leader," said Mrs. W. F. Meyer, chairman. Further information, she said, could be secured by calling her at THornwall 3467. A competent woman, she added, is employed to care for small children in the morning class.

Birth Announced

Mr. and Mrs. Lauri A. Ojala of 1058 Tevlin Street are now sending out announcements telling of the arrival last week of Clifford Lauri Ojala, born last Tuesday night at Humboldt Hospital.

H.S. Hoopmen Lead League By Two Wins

In its second league win of the season, Albany High School's basketball squad defeated Washington Union High School of Centerville last Friday by a score of 35 to 26. By this victory the local five maintained its place at the head of the standings in the Southern Alameda County Athletic League.

The Albany Class B team, however, remains at the foot of the ladder in its division by dropping its second straight contest to the Centerville B's, 32-17, in a preliminary game.

To the scoring of George Villa, sophomore center playing his first season of the sport, was credited 18 points. Richberg Ferguson, forward, was close behind his teammate in scoring and also displayed brilliant work in passing and dribbling.

Albany led at halftime with a bare 15-14 margin but strengthened its lead in the second half and collected a win.

In its first game of the season last week the local bucketters nosed out Livermore High, 31-30, in a sensational finish, Ferguson scoring the winning points in the final moments of the game.

The B's were outclassed in their latest tilt, trailing at halftime, 16-9, and never presenting a threat to their rivals. High man was Chuck Lewis, forward, with five points scored.

Train Crash Kills Driver From Oakland

Struck by a freight train as he sat in his stalled car on the Southern Pacific tracks south of Buchanan Street, Robert Miranda, 51, of 641 Fifty-third Street, Oakland, was almost instantly killed Saturday night, police reported.

The auto was carried more than 100 feet before the heavy locomotive could be brought to a stop. In a report of the accident, Myron Neff, engineer of the train, told police that shortly before the engine struck the car he had noticed a faint light about 100 yards ahead. He gave warning with the train's whistle but was almost upon the car before he could see it was a stalled vehicle.

The crash twisted the machine into a tangled mass of wreckage that was removed from the tracks by the B. and F. Garage of this city. Although the accident occurred in Albany, the first report was sent to Berkeley police and the injured man was rushed to Berkeley General Hospital.

Sergeant Charles Hardie and Officer John Viarengo responded to the call from the local department. It was decided by police that the driver must have gotten onto the train tracks at Gilman Street and driven north until the front wheels caught in a switch "frog." Four half-empty whiskey bottles were found in the car.

IDENTIFY MAN

The dead man was identified by his stepfather, David Verbridge of the same address and co-operator with him of a circulating library in Berkeley at 1612 University Avenue.

Local police reported that another motorist, Kenneth D. Morse of 1640 East Twelfth Street, Oakland, was arrested early the same day for driving on the railroad tracks in the same locality.

The action of Officer Harry Stevenson, however, prevented a possible tragedy, when he notified the Southern Pacific Company that the car was stalled on the tracks and also posted warning flares. He arrested Morse and charged him with reckless driving.

District Meet Is Announced

The executive board of the Cornell association will meet on Thursday, January 28, at 2:40 p. m. in the board room of the school.

Marin Group Sees Playlet Of Children

"Thrift" was the theme of the meeting of the Marin P.-T. A. last week. A clever playlet, enacted by pupils of Miss Anne Brubaker and Mrs. Pauline Cruickshank, was introduced by Mrs. D. Verla Newfarmer, thrift chairman.

The play was entitled "The Magic Dream" and had the following pupils in its cast:

Jack Timmers, Marilyn Ream, Jack Stein, Patsy Sherwood, Marlene Seimer, Barbara Pemberton, Patsy Tyler, J. Fish, Norma Ruiz, Nancy Ingraham, Margaret Pettengill, Bobby Kranz, Wallace Morrow, Norman Rickli, Irven Oscarson, Arthur Weinberg, Billy Beale, Don Scott, Dick Pearl, Marjorie Spenchian, Betty Jane Wiseman, Jacqueline Taylor and Mary Ellen Finn.

A group of three Indian songs was rendered by Miss Erna C. Seeger, kindergarten instructor. This was followed by the reading of an interesting report by Mrs. F. L. Stine, delegate to Council. Mrs. J. R. Timmers and Mrs. John B. Rector were appointed to act on the nominating committee to select officers for the new term which begins on April 1. Executive board members already appointed are Mrs. D. C. Atwater, chairman, and Mrs. Edwin Litsinger.

The picture for attendance was won by the low second class of Mrs. Gladwyn Ritson. Homemade cookies and coffee were served at the close of the meeting, Mrs. Roy Lincer being assisted by Mrs. James Duncan.

Marin Rites Are Cancelled

Because Albany grammar schools were closed yesterday and will not resume classes until Monday, the graduation exercises planned for the Marin school have been cancelled according to Allan Keim, principal.

Members of the graduating class, most of whom will enroll at the Albany High School on Monday, are:

Ewell Arnold, Robert Baker, Carol Barnes, Brice Brooks, Grace Durnan, Susan Forsyth, Jack Hanlon, Maryann Hays, Clement Heagerty, George Hickman, Robert Ingram, Mae Dale King, Barbara Lewis, Dorald MacBeath, Hilma Manig, Virginia Monroe, Raymond Nivolo, Philip Pearl, Robert Penny, Evelyn Riley, Jean Scott, May Ellen Smith, James Turner, John Vorland, Ralph Watson, Frances Williams, Bill Wuelzer and Jutta Zahn.

Honorable discharge from the Junior Traffic Police force was received by Ewell Arnold, Donald MacBeath, Raymond Nivolo, James Turner, Ralph Watson, Bill Wuelzer, Philip Pearl, Brice Brooks, George Hickman, Jack Hanson, Robert Baker and Clement Heagerty.

Boys who are to receive their block letters, the Marin School athletic awards for good sportsmanship, cooperation and good citizenship as well as athletic ability, are Harold Boyd, Robert Chicori, Walter Perkins, Jack Piper, Earl Reno, George Cleland, Elmer Nelson, Lea Lynch, Jack McMorran, Richard Hickman, Dave Morris, William Keene, Ray Nivolo and Carol Plattner. The first 10 boys are from R. C. Rudd's room.

In an effort to ascertain the present feeling of businessmen and other interested citizens towards the regulation or prohibition of carnivals and similar traveling shows here, an invitation was issued by the City Council at its meeting this week to all concerned to be present next Monday evening at the regular session.

This followed the motion of Councilman Batchelder that City Clerk Brewer be instructed to have present at that time the petition presented last July by local merchants who sought the banning of such enterprises in this city. The petition was placed on file at that time.

PRaise From Post

A communication from Albany Post of the American Legion praised the successful efforts of the council in bringing the new Portland-Santa Fe bus line to the city. "It will contribute to the development of the community and render a needed service to the citizens," the letter told in part. It was signed by George H. Foley, Adjutant.

An invitation from the California League of Municipalities to the city officials to attend a meeting of the East Bay Division in San Leandro today, was accepted and notice sent that the entire council, the fire chief, the city engineer, the city attorney and the city treasurer would be present at the session.

Mrs. Myrtle McLean, now court clerk, was appointed to serve as secretary of the Civil Service Board at no increase in her present salary.

ASKS AID TRAINING

The suggestion was offered by Councilman Mowday that it be recommended to the Civil Service Board that each member of the fire and police department be required to possess a certificate showing proficiency in first aid work. Such knowledge would be invaluable in accident cases, reminded the councilman.

Councilman Hanahan reported that an inspection of the traffic signals at Solano and San Pablo Avenues had revealed that the majority of the reflectors in the devices were faulty. Replacement is now being effected, he told, and should make the signals satisfactorily visible to motorists.

Bearing the approval of Chief of Police Glavinovich, an application of Alex Motta, proprietor of the grocery at 1220 Solano Avenue, for a permit to sell soft drinks, was considered by the council and acted upon favorably.

Following the motion of Councilmen Mowday and Hays that the consideration of neon signs to be installed at the north and south limits of the city, be referred to the Street and Light Commission, a meeting of that body with City Engineer Dybert was held at the conclusion of the council session.

The signs considered are of a similar type to those erected in Berkeley and will inform drivers that they are entering the city of Albany and that the speed laws are strictly enforced here.

Incorrect Vision Should Be Checked

It seems regrettable that so many physical ailments can be traced to neglect in the correction of visual deficiencies through carelessness or individuals who do not realize the grave resulting dangers that a reputable optometrist could check or cure. Examination of the eyes at regular intervals by an optometrist would bring to light any tendency toward incorrect vision at its inception and save many people from the terrible experience of chronic headaches and nervous disorders, as well as save many of the accidents caused from improper eyesight.

W. A. Perrin is an optometrist and optician that has served this community faithfully and consistently for many years. His office is conveniently located at 2228 Telegraph at Sather Gate, and is equipped with the most modern of instruments for the detection of eye disorders. Modern methods and expert service are assured you here at nominal costs.

Mr. W. A. Perrin has enjoyed the confidence of hundreds of East Bay residents for many years and you can rest assured that you receive from him the most sound and honest advice obtainable, for it is backed by years of training, experience, and a reputation to be upheld.—Adv.

COMMUNICATED ALBANY POST

Albany Times—

It was indeed kind of the Times to publish the "news" that I was joining the force of a life insurance firm last week. The fact was, I know, that I had mentioned—rather positively, too—that I intended doing so. However, it so developed I was forced to thumbs down the proposition, and consequently I'm having a devil of a lot of explaining to do.

The fact that I am having "a devil of a lot of explaining to do" is a voluntary testimonial of the Times' wide circulation. I daresay not one person in Albany who knows me (yes, two or three do!) did not fail to read the item.

I am grateful to you for the free publicity, which makes it so difficult for me to ask for more. However, I do wish you'd publish this letter and I hope it serves the purpose of showing the curious and showing the fearful. You see, the curious are those who dash up and want to know all about it; and the fearful are "friends" who already are "looking the other way" for fear that I want to say "Hello!" and start selling life insurance.

Yes, you can see it will be a generous favor to me should the Times condescend to quiet the story.

Thanking you very kindly for past favors, and ever wishing you success, I remain,

Your friend,
A. F. Lemes.
